1 Abstract

2 Background

Heirachical Temporal Memory (HTM) (Numenta, n.d.).

3 Results

4 Discussion

5 Conclusion

6 Methods

6.1 Metagenomic sequence data

6.2 Gene abundance profiling

6.3 MSPs taxonomic annotation

6.4 MSPs functional annotation

6.5 Correlation analysis

7 Data availability

8 Code availability

9 Author Contributions

10 Acknowledgments
